

AN INVITATION TO GRANDPARENTS TO TAKE UP THE  
CHALLENGE

You have an awesome opportunity to impact the lives of your grandchildren for eternity. Over generations the legacy of God's Holy Word has been passed from generation to generation—children have been introduced to the anchor of our faith: God's Word.

Our goal is to mobilise grandparents to snuggle up with their precious grandchildren and introduce them to the fascinating characters, thrilling adventures and dramatic encounters we read in God's Big Story, with the hope that the stories will help them experience God's great love and compel a fascination with scripture and lay a foundation for a life of faith.

Enclosed is a Sticker card designed to guide the reading of 24 stories in chronological order, engage together and place a sticker on the image of the story once you have read it. Use these stories to ask questions and share your own faith story.

Enclosed is a recommendation for good children's story Bibles and where you can obtain them. If you have enjoyed 'Gods Big Story' you might like to try our second challenge 'The Life of Jesus' .

Keep in touch and let us know how it goes. Enjoy
